Drinks Capacity	Approx. x130 standard 375ml cans
Energy Consumption	0.83 kWh/24h
Power Input	182W
Noise Level	45 Decibel Rating
Weight	40KG net / 42KG gross
Product Dimensions	W600mm x D500mm x H840mm

DIMENSIONS

600mm Width x 500mm Depth x 840mm Height (Door handle extra 45mm depth)

0 – 10 degrees electronic temperature control

Chrome adjustable shelves

Recirculating internal fan

IMPORTANT INFORMATION

The Weber Alfresco Bar Fridge is an outdoor appliance, intended for household use only. It is only to be used in sheltered areas and must not be exposed to the elements. It can be installed in an alfresco area in accordance with the following:

- Do not expose to direct sunlight, rain, moisture or dust.
- Do not install in a location where wind may blow water or dust on to the beverage cooler.
- Do not operate or leave out in the weather.
- Do not expose to rain or wet conditions.

Ensure you read the product manual carefully before first use.
